3. Also bring along with you the parent consent form duly signed by your parents. (Those who do not have this mandatory document will NOT be allowed inside the campus).
4. Report to school around 10 minutes before the scheduled start of class so that thermal scanning may be done before you enter the campus.
5. Leave the campus immediately after your classes are over.
6. Throw used masks/tissues etc. into the closed dustbins kept in your classrooms or in the campus.
7. Inform your teacher if you are feeling unwell or feverish.
8. Maintain social distancing at all times.

❖ DO NOT :

1. Come to school if you are feeling unwell.
2. Come to school if any member of your family is unwell.
3. If you have just returned from outside the station.
